General Department.

GENERAL SECRETARY,
15 MAR 1937

SIR,

Introduction of ticket system into Sivakuta at
Nanjangud.

I have the honor to forward herewith a copy of letter No. 1250/35 36 dated 16-11-1936 from the Deputy Commissioner, Mysore District, together with the file of correspondence relating to the above subject, and to state as follows:-

The Deputy Commissioner brings to notice certain inconvenience which is being experienced in the Sivakuta for want of a system in the feeding arrangements. To avoid all such inconvenience and waste and also to economize expenditure suggestions have been made in the audit report and also in the inspection notes of Mr. S. Hiriannaiya, my predecessor, for the introduction of the ticket system into the Sivakuta. Kind reference is invited to the Peshkar's letter dated 29-12-1934 which is in the file wherein he dwells on the advantages expected to accrue from the introduction of the ticket system. The Sub Division Officer who has gone into the question has submitted draft rules both in English and kannada for the working of the Scheme, which are enclosed.

2. The ticket system has been working satisfactorily in the Tirupati Charities and there seems to be no objection to introduce the same into the Nanjangud Sivakuta.

3. Mr. A. Subrahmanya Iyer, son of the late Mr. Ambale Anniah Pandit who was consulted in the matter, is also agreeable to the system being tried.

2.

4. With a view to the efficient and economic management of the Sivakuta, I request that the Deputy Commissioner's proposal to introduce the ticket system may kindly be sanctioned as an experimental measure for one year and the draft rules as slightly modified kindly approved.

I have the honor to be,

Sir,

Your most obedient servant,

K. Anant Kumar
Muzrai Commissioner.

Letter No.H.1250/35-36 dated 16-11-36 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

(1) I have the honor to state that the Shivakuta feeding at the Nanjangud Sri Srikanteswaraswami temple was being run at a monthly cost of Rs 300 from the tasdik allotment of the temple. About the year 1930-31, Lokasevaniratha late Mr. Amble Anniah Pandit paid a sum of Rs 5,600 and got the gutta of paddy on 56 acres of lands at Heggadahalli village, already owned by the temple ear-marked for running the shivakuta in his name. This arrangement has been approved by Government.

(2) As the price of paddy has gone down during recent years, the monthly charges of shivakuta have been limited to Rs 200 only. Experience has shown that large number of pilgrims used to visit the shivakuta for meals about 12 noon when the meals were ready with the result that fresh preparations had to be made and the pilgrims who were about to be served had to wait indefinitely till the meals were prepared afresh for additional pilgrims arriving just in time. On ordinary days the number of pilgrims is generally small, but the rations issued for the preparation of meals beforehand are in excess with the result that much of the preparations are wasted. The Muzrai Auditor who audited the accounts of the temple has suggested the introduction of the system of issuing tickets to the pilgrims who wish to take meals at the shivakuta.

(3) The Sub Division Officer, Nanjangud, reported on 19th June 35 that there has been a lot of waste and unnecessary expenditure on account of want of system in feeding and of rigorous check in the shivakuta, that the Dharmadarsis are inclined to think that the introduction of system of tickets will be derogatory to the name and object of the institution, that there seems to be no foundation for this and that the system of tickets seem to be in vogue in many parts of India.

(4) The system of issuing tickets is in force in Tirupati Hill in the Maharaja's Choultry at 10.30 a.m. A set of rules in English and Kannada have been framed by the Sub Division Officer and they are enclosed in the records.

(5) Mr. A. Subrahmanya Iyer, son of the donor, who was consulted in the matter, states that the system may be tried.

(6) In these circumstances, I request that the draft rules may kindly be approved.

The connected records accompany.
